To Whom It May Concern:

Please find this letter in recommendation of Mr. Gene Fazio and his remarkable ability to make a difference in the literacy level of our youth. I have seen Gene's results first hand and can verify that his unique and positive approach can elevate the academic capabilities as well as the self esteem of the students he works with. It is well worth your time to further investigate this methodology. The results speak for themselves!

Sincerely,

A handwritten signature in black ink, appearing to read "Dirk Koetter". The signature is fluid and cursive, with the first name "Dirk" and last name "Koetter" clearly distinguishable.
